EU Health Policy Platform
Your space for public health exchange

SEPTEMBER 2023

The EU Health Policy Platform (EUHPP) was created by the European Commission as a space for health stakeholders to exchange the latest news, reach a targeted audience to increase the visibility of their initiatives, and build up strong networks.

How to be part of this community? Is it for you?

1

If you…
▸ Represent a health stakeholder organisation which is
▸ based or with health-related initiatives in the EU;

2

Then…
1. Go to the **EUHPP**
2. Use or create your EU login;
3. Fill out the registration form as completely as possible;
4. You will receive a confirmation or rejection email.

3

Welcome to the #EUHPP!
▸ Make your first post in the Agora network – the common space for the whole community;
▸ Request access to the networks of your interest;
▸ Join the Platform's trainings for newcomers;

4

How to become an active member?
▸ Participate in upcoming #EUHPP Live Webinars.
▸ Interact with other Platform members.
▸ Include your latest news and events in the Platform's biweekly newsletter;

5

Are you already a pro?
▸ Co-organise an #EUHPP Live Webinar with the Platform team;
▸ Create your own network;

The Platform: in a nutshell

6000

▸ Created in 2016. Homepage available in all EU languages.

▸ A community of over 6000 health stakeholder members, including relevant Commission services, EU Member States, NGOs, universities, research institutes and health associations.

25

25 Joint Statements created by 25 Thematic Networks and supported by more than 1000 stakeholder organisations.

270

More than 270 webinars hosted since 2017, welcoming over 40 000 participants and representing more than 500 hours of live exchanges.
