

Luxembourg, 31 May 2018

<p style="text-align: center;">Scientific Committee on Health, Environmental and Emerging Risks Working Group on public health impacts and risks resulting from onshore hydrocarbon exploration and production in the EU</p>
--

31 May 2018, Luxembourg

Minutes

1. Welcome and apologies, approval of the agenda and declaration of interests

The Chair welcomed the participants to the meeting, announced the apologies received (2) and presented the agenda which was adopted without changes.

The Chair invited participants to declare any interest regarding matters on the agenda. None of the participants declared any interest conflicting with the matter on the agenda.

2. List of points discussed and conclusions

2.1 Discussion on the contributions received during the public consultation:

The WG went through all contributions received during the public consultation and the Chair allocated specific tasks to all members. The WG decided that new publications received during the public consultation will be checked and considered to be included in the reference list.

3. Information from the Commission and WG members

No information.

4. Any Other Business

The Secretariat will launch two doodle polls in order to set the dates for two additional meetings in July and end of August or beginning of September.
