eHealth Network

Guidelines on

Paper version of the
EU Digital COVID Certificate

V1.0.2
2021-05-26
The eHealth Network is a voluntary network, set up under article 14 of Directive 2011/24/EU. It provides a platform of Member States’ competent authorities dealing with eHealth. The Joint Action supporting the eHealth Network (JAseHN) provides scientific and technical support to the Network.

IMPORTANT NOTICE: The EU Digital COVID Certificate template is a voluntary recommendation for use by Member States. Furthermore, the exact text of the data fields (both in English and in French) might be subject to further minor changes by the lawyer-linguists from the European Parliament and Council.

Adopted by the eHealth Network in written procedure on 26 May 2021.
EU Digital COVID Certificate

**Typeface**
The font used in the template is Arial but it can be replaced with any other font as long as the text remains legible.

**Colours**

<table>
<thead>
<tr>
<th>Pantone Reflex Blue</th>
<th>Pantone Yellow</th>
</tr>
</thead>
<tbody>
<tr>
<td>RGB: 0/51/153</td>
<td>RGB: 255/204/0</td>
</tr>
<tr>
<td>Hexadecimal #003399</td>
<td>Hexadecimal #FFCC00</td>
</tr>
</tbody>
</table>

An outline has been added to the visuals elements with a yellow fill colour so that they are clearly visible when printed with a black and white printer.

**Paper size**
The template is a standard ISO A4 paper sheet folded along the centre line of the longer edge into an A5 first, then folded along the centre line of the longer edge of that A5 into an A6 booklet.

**Folding instructions**

Remark: a print margin of 1 cm on all sides of the A4 has been kept to ensure a seamless printing on any printer.

**Printing recommendation**
The template should be printed on an A4-size paper, centred, with the scale set to 100%.

**QR Code**
The recommended size of the QR code has been set between 50 and 60 mm.
This certificate is not a travel document. The scientific evidence on COVID-19 vaccination, testing and recovery continues to evolve, including with regard to new virus variants of concern. Before traveling, please check the applicable public health measures and related restrictions at the point of destination.
